

OLD VICARAGE SCHOOL

A message from the Head:

As the academic year 2020-21 draws to a close we reflect on the wonderful accomplishments of our amazing community this term. We have been thrilled at how much the children have achieved this term and their commitment to undertaking all challenges with positivity and resilience. A number are documented in this Newsletter, culminating in our socially distanced events, Sports Day and Prize Giving. How wonderful to end the year all together.

The summer presents an opportunity to relax and recharge. I hope that you are able to spend it with friends and family whether abroad or on a 'staycation'.

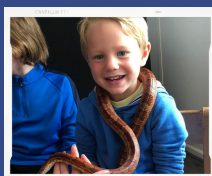

Stay safe and take care of others and yourselves. We look forward to an exciting year ahead.
